

## **SHREK 2™ GAME BOY ADVANCE**

### **FACT SHEET**

#### **PRODUCT DESCRIPTION:**

**Shrek 2™** takes players on a crazy adventure with Shrek® and his buddies. Gamers revisit scenes from the movie sequel while discovering all-new locations and characters. **Shrek 2™** for the Game Boy Advance combines puzzle elements with traditional action-platform gameplay and allows players to build up a team of three characters and use each one's ability to get through tasks, solve puzzles and fight monsters. Fun-filled mini-games allow fans to embark on adventures with Shrek, Donkey, Puss in Boots and Gingerbread Man.

#### **KEY FEATURES:**

- **Play as Shrek® and 3 of his friends—** Start off with one character and work your way up to three playable characters on the screen at one time.
- **Visit 25 locations from the movie—**Players can visit expanded versions of locations from the upcoming film.
- **Experience Multiple Mini Games -** Each character has a mini-game designed to take advantage of their unique abilities. Players can join Shrek as he hurries to keep the Three Blind Mice from falling to the ground and Puss in Boots as he jumps over dangerous flames. The longer the player lasts, the more rewards they get.
- **Laugh while you play —**12 hours of adventurous gameplay includes volumes of humorous dialogue and visual gags.
